Re: United States v. Garrick Powell  
Criminal Nos. JRR-23-146

Dear Counsel:

This letter, together with the Sealed Supplement, confirms the plea agreement which has been offered to your client, Garrick Powell ("the Defendant"), by the United States Attorney's Office for the District of Maryland ("this Office"). If the Defendant accepts this offer, please have him execute it in the spaces provided below. This offer shall expire on **March 6, 2025**. The terms of the agreement are as follows:

**Offense of Conviction**

1. The Defendant agrees to plead guilty to Count Two of the Indictment, which charges the Defendant with Unlawful Possession of a Machinegun, in violation of 18 U.S.C. § 922(o). The Defendant admits that he is, in fact, guilty of that offense and will so advise the Court.

**Elements of the Offenses**

2. The elements of the offense(s) to which the Defendant has agreed to plead guilty, and which this Office would prove if the case went to trial, are as follows: That on or about the time alleged in the Indictment, in the District of Maryland:

a. The Defendant knowingly possessed a machine gun as defined pursuant to 26 U.S.C. § 5845(a); and

b. The Defendant knew, or was aware of, the essential characteristics of the firearm which made it a machine gun as defined by 18 U.S.C. § 921(a) and 26 U.S.C. § 5845(a).

**Penalties**

3. The maximum sentence provided by statute for the offense to which the Defendant is pleading guilty is as follows:

Count	Statute	Minimum Prison	Maximum Prison	Supervised Release	Maximum Fine	Special Assessment
1	18 U.S.C. § 922(o)	N/A	10 years	3 years	\$250,000	\$100

a. Prison: If the Court orders a term of imprisonment, the Bureau of Prisons has sole discretion to designate the institution at which it will be served.

b. Supervised Release: If the Court orders a term of supervised release, and the Defendant violates the conditions of supervised release, the Court may order the Defendant returned to custody to serve a term of imprisonment as permitted by statute, followed by an additional term of supervised release.

c. Restitution: The Court may order the Defendant to pay restitution pursuant to 18 U.S.C. §§ 3663, 3663A, and 3664.

d. Payment: If a fine or restitution is imposed, it shall be payable immediately, unless the Court orders otherwise under 18 U.S.C. § 3572(d). The Defendant may be required to pay interest if the fine is not paid when due.

e. Forfeiture: The Court may enter an order of forfeiture of assets directly traceable to the offense, substitute assets, and/or a money judgment equal to the value of the property subject to forfeiture.

f. Collection of Debts: If the Court imposes a fine or restitution, this Office's Financial Litigation Unit will be responsible for collecting the debt. If the Court establishes a schedule of payments, the Defendant agrees that: (1) the full amount of the fine or restitution is nonetheless due and owing immediately; (2) the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment; and (3) the United States may fully employ all powers to collect on the total amount of the debt as provided by law. Until the debt is paid, the Defendant agrees to disclose all assets in which the Defendant has any interest or over which the Defendant exercises direct or indirect control. Until the money judgment is satisfied, the Defendant authorizes this Office to obtain a credit report in order to evaluate the Defendant's ability to pay, and to request and review the Defendant's federal and state income tax returns. The Defendant agrees to complete and sign a copy of IRS Form 8821 (relating to the voluntary disclosure of federal tax return information) and a financial statement in a form provided by this Office.

**Waiver of Rights**

4. The Defendant understands that by entering into this agreement, he surrenders certain rights as outlined below:

a. If the Defendant had pled not guilty and persisted in that plea, the Defendant would have had the right to a speedy jury trial with the close assistance of competent counsel. That trial could be conducted by a judge, without a jury, if the Defendant, this Office, and the Court all agreed.

b. If the Defendant elected a jury trial, the jury would be composed of twelve individuals selected from the community. Counsel and the Defendant would have the opportunity to challenge prospective jurors who demonstrated bias or who were otherwise unqualified, and would have the opportunity to strike a certain number of jurors peremptorily. All twelve jurors would have to agree unanimously before the Defendant could be found guilty of any count. The jury would be instructed that the Defendant was presumed to be innocent, and that presumption could be overcome only by proof beyond a reasonable doubt.

c. If the Defendant went to trial, the Government would have the burden of proving the Defendant guilty beyond a reasonable doubt. The Defendant would have the right to confront and cross-examine the Government's witnesses. The Defendant would not have to present any defense witnesses or evidence whatsoever. If the Defendant wanted to call witnesses in defense, however, the Defendant would have the subpoena power of the Court to compel the witnesses to attend.

d. The Defendant would have the right to testify in the Defendant's own defense if the Defendant so chose, and the Defendant would have the right to refuse to testify. If the Defendant chose not to testify, the Court could instruct the jury that they could not draw any adverse inference from the Defendant's decision not to testify.

e. If the Defendant were found guilty after a trial, the Defendant would have the right to appeal the verdict and the Court's pretrial and trial decisions on the admissibility of evidence to see if any errors were committed which would require a new trial or dismissal of the charges. By pleading guilty, the Defendant knowingly gives up the right to appeal the verdict and the Court's decisions.

f. By pleading guilty, the Defendant will be giving up all of these rights, except the right, under the limited circumstances set forth in the "Waiver of Appeal" paragraph below, to appeal the sentence. By pleading guilty, the Defendant understands that the Defendant may have to answer the Court's questions both about the rights being given up and about the facts of the case. Any statements that the Defendant makes during such a hearing would not be admissible against the Defendant during a trial except in a criminal proceeding for perjury or false statement.

g. If the Court accepts the Defendant's plea of guilty, the Defendant will be giving up the right to file and have the Court rule on pretrial motions, and there will be no further

h. By pleading guilty, the Defendant will also be giving up certain valuable civil rights and may be subject to deportation or other loss of immigration status, including possible denaturalization. The Defendant recognizes that if the Defendant is not a citizen of the United States, or is a naturalized citizen, pleading guilty may have consequences with respect to the Defendant's immigration status. Under federal law, conviction for a broad range of crimes can lead to adverse immigration consequences, including automatic removal from the United States. Removal and other immigration consequences are the subject of a separate proceeding, however, and the Defendant understands that no one, including the Defendant's attorney or the Court, can predict with certainty the effect of a conviction on immigration status. The Defendant is not relying on any promise or belief about the immigration consequences of pleading guilty. The Defendant nevertheless affirms that the Defendant wants to plead guilty regardless of any potential immigration consequences.

**Advisory Sentencing Guidelines Apply**

5. The Defendant understands that the Court will determine a sentencing guidelines range for this case (henceforth the "advisory guidelines range") pursuant to the Sentencing Reform Act of 1984 at 18 U.S.C. § 3551-3742 (excepting 18 U.S.C. § 3553(b)(1) and 3742(e)) and 28 U.S.C. §§ 991 through 998. The Defendant further understands that the Court will impose a sentence pursuant to the Sentencing Reform Act, as excised, and must take into account the advisory guidelines range in establishing a reasonable sentence.

**Factual and Advisory Guidelines Stipulation**

6. This Office and the Defendant stipulate and agree to the Statement of Facts set forth in Attachment A, which is incorporated by reference herein.

a. The parties disagree as to the base offense level as follows:

i. This Office believes that that the applicable **base offense level** is determined by the United States Sentencing Guidelines ("U.S.S.G.") § 2K2.1. Specifically, the base offense level is **22** pursuant to United States Sentencing Guidelines ("U.S.S.G.") § 2K2.1(a)(3) because the Defendant possessed a firearm as described in 26 U.S.C. § 5845(a); and the instant offense was committed subsequent to sustaining one prior felony conviction;

ii. The Defendant believes the base offense level is **20** pursuant to U.S.S.G. § 2K2.1(a)(4) applies because Defendant possessed a firearm as described in 26 U.S.C. § 5845(a); and ~~the Defendant was a prohibited person at the time the Defendant committed the instant offense.~~

~~the Defendant was a prohibited person at the time the Defendant committed the instant offense.~~ Defendant was a prohibited person at the time the Defendant committed the instant offense.

(CN) *SV*

b. This Office and the Defendant agree that there is a **4-level** increase in the base offense level pursuant to U.S.S.G. § 2K2.1(b)(6)(B) because the Defendant used and possessed the firearm and ammunition in connection with another felony offense.

c. This Office does not oppose a 2-level reduction in the Defendant's adjusted offense level pursuant to U.S.S.G. § 3E1.1(a) based upon the Defendant's apparent prompt recognition and affirmative acceptance of personal responsibility for the Defendant's criminal conduct. This Office will also make a motion pursuant to U.S.S.G. § 3E1.1(b) for an additional 1-level decrease. This Office may oppose any adjustment for acceptance of responsibility under U.S.S.G. § 3E1.1(a) if the Defendant: (i) fails to admit each and every item in the factual stipulation; (ii) denies involvement in the offense; (iii) gives conflicting statements about the Defendant's involvement in the offense; (iv) is untruthful with the Court, this Office, or the United States Probation Office; (v) obstructs or attempts to obstruct justice prior to sentencing; (vi) engages in any criminal conduct between the date of this Agreement and the date of sentencing; (vii) attempts to withdraw the plea of guilty; or (viii) violates this Agreement in any way.

c. Therefore, the final offense level will either be **23 or 21**.

7. There is no agreement as to the Defendant's criminal history is a level and the Defendant understands that the Defendant's criminal history could alter the Defendant's offense level. Specifically, the Defendant understands that the Defendant's criminal history could alter the final offense level if the Defendant is determined to be a career offender.

8. Other than as set forth above, no other offense characteristics, sentencing guidelines factors, potential departures or adjustments set forth in the United States Sentencing Guidelines are in dispute or will be raised in calculating the advisory guidelines range.

#### **Obligations of the Parties**

9. At the time of sentencing, this Office and the Defendant reserve the right to advocate for a reasonable sentence, period of supervised release, and/or fine considering any appropriate factors under 18 U.S.C. § 3553(a). The parties further reserve the right to bring to the Court's attention all information with respect to the Defendant's background, character, and conduct that this Office or the Defendant deem relevant to sentencing, including the conduct that is the subject of any counts of the Indictment. At the time of sentencing, this Office will move to dismiss any open counts against the Defendant.

#### **Waiver of Appeal**

10. In exchange for the concessions made by this Office and the Defendant in this Agreement, this Office and the Defendant waive their rights to appeal as follows:

a. The Defendant knowingly waives all right, pursuant to 28 U.S.C. § 1291 or any other statute or constitutional provision, to appeal the Defendant's conviction on any ground

whatsoever. This includes a waiver of all right to appeal the Defendant's conviction on the ground that the statute(s) to which the Defendant is pleading guilty is unconstitutional, or on the ground that the admitted conduct does not fall within the scope of the statute(s), to the extent that such challenges legally can be waived.

b. The Defendant and this Office knowingly and expressly waive all rights conferred by 18 U.S.C. § 3742 to appeal whatever sentence is imposed (including any term of imprisonment, fine, term of supervised release, or order of restitution) for any reason (including the establishment of the advisory sentencing guidelines range, the determination of the Defendant's criminal history, the weighing of the sentencing factors, and any constitutional challenges to the calculation and imposition of any term of imprisonment, fine, order of forfeiture, order of restitution, and term or condition of supervised release).

c. The Defendant waives any and all rights under the Freedom of Information Act relating to the investigation and prosecution of the above-captioned matter and agrees not to file any request for documents from this Office or any investigating agency.

### **Forfeiture**

11. The Defendant understands that the Court may enter an Order of Forfeiture as part of the Defendant's sentence, and that the Order of Forfeiture may include assets directly traceable to the offense, substitute assets, and/or a money judgment equal to the value of the property derived from, or otherwise involved in, the offenses.

12. Specifically, but without limitation on the Government's right to forfeit all property subject to forfeiture as permitted by law, the Defendant agrees to forfeit to the United States all of the Defendant's right, title, and interest in the following items that the Defendant agrees constitute money, property, and/or assets derived from or obtained by the Defendant as a result of, or used to facilitate the commission of, the Defendant's illegal activities:

- Polymer 80 9mm handgun;
- A conversion device; and
- Approximately 63 rounds of 9mm ammunition.

13. The Defendant agrees to consent to the entry of orders of forfeiture for the property described herein and waives the requirements of Federal Rules of Criminal Procedure 11(b)(1)(J), 32.2, and 43(a) regarding notice of the forfeiture in the charging instrument, advice regarding forfeiture during the change of plea hearing, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment.

14. The Defendant agrees to assist fully in the forfeiture of the above property. The Defendant agrees to disclose all assets and sources of income, to consent to all requests for access to information related to assets and income, and to take all steps necessary to pass clear title to the forfeited assets to the United States, including executing all documents necessary to transfer such title, assisting in bringing any assets located outside of the United States within the jurisdiction of

the United States, and taking whatever steps are necessary to ensure that assets subject to forfeiture are made available for forfeiture.

15. The Defendant waives all challenges to any forfeiture carried out in accordance with this Agreement on any grounds, including any and all constitutional, legal, equitable, statutory, or administrative grounds brought by any means, including through direct appeal, habeas corpus petition, or civil complaint. The Defendant will not challenge or seek review of any civil or administrative forfeiture of any property subject to forfeiture under this Agreement and will not assist any third party with any challenge or review or any petition for remission of forfeiture.

#### **Defendant's Conduct Prior to Sentencing and Breach**

16. Between now and the date of the sentencing, the Defendant will not engage in conduct that constitutes obstruction of justice under U.S.S.G. § 3C1.1; will not violate any federal, state, or local law; will acknowledge guilt to the probation officer and the Court; will be truthful in any statement to the Court, this Office, law enforcement agents, and probation officers; will cooperate in the preparation of the presentence report; and will not move to withdraw from the plea of guilty or from this Agreement.

17. If the Defendant engages in conduct prior to sentencing that violates the above paragraph of this Agreement, and the Court finds a violation by a preponderance of the evidence, then: (i) this Office will be free from its obligations under this Agreement; (ii) this Office may make sentencing arguments and recommendations different from those set out in this Agreement, even if the Agreement was reached pursuant to Rule 11(c)(1)(C); and (iii) in any criminal or civil proceeding, this Office will be free to use against the Defendant all statements made by the Defendant and any of the information or materials provided by the Defendant, including statements, information, and materials provided pursuant to this Agreement, and statements made during proceedings before the Court pursuant to Rule 11 of the Federal Rules of Criminal Procedure. A determination that this Office is released from its obligations under this Agreement will not permit the Defendant to withdraw the guilty plea. The Defendant acknowledges that the Defendant may not withdraw the Defendant's guilty plea—even if made pursuant to Rule 11(c)(1)(C)—if the Court finds that the Defendant breached the Agreement. In that event, neither the Court nor the Government will be bound by the specific sentence or sentencing range agreed and stipulated to herein pursuant to Rule 11(c)(1)(C).

#### **Court Not a Party**

18. The Court is not a party to this Agreement. The sentence to be imposed is within the sole discretion of the Court. The Court is not bound by the Sentencing Guidelines stipulation in this Agreement. The Court will determine the facts relevant to sentencing. The Court is not required to accept any recommendation or stipulation of the parties. The Court has the power to impose a sentence up to the maximum penalty allowed by law. If the Court makes sentencing findings different from those stipulated in this Agreement, or if the Court imposes any sentence up to the maximum allowed by statute, the Defendant will remain bound to fulfill all of the obligations under this Agreement. Neither the prosecutor, defense counsel, nor the Court can make a binding

prediction, promise, or representation as to what guidelines range or sentence the Defendant will receive. The Defendant agrees that no one has made such a binding prediction or promise.

**Entire Agreement**

19. This letter supersedes any prior understandings, promises, or conditions between this Office and the Defendant and, together with the Sealed Supplement, constitutes the complete plea agreement in this case. The Defendant acknowledges that there are no other agreements, promises, undertakings or understandings between the Defendant and this Office other than those set forth in this letter and the Sealed Supplement and none will be entered into unless in writing, signed by all parties, and approved by the Court.

If the Defendant fully accepts each and every term and condition of this agreement, please sign and have the Defendant sign the original and return it to me promptly.

Very truly yours,

**STIPULATION OF FACTS**

*The undersigned parties stipulate and agree that if this case had proceeded to trial, this Office would have proven the following facts beyond a reasonable doubt. The undersigned parties also stipulate and agree that the following facts do not encompass all of the evidence that would have been presented had this matter proceeded to trial.*

On April 19, 2023, Baltimore City Police Department officers from the Eastern District Baltimore Community Intelligence Center watched the 500 block of North Patterson Park Avenue ("NPPA") via CCTV. At approximately 10:27 a.m. an officer saw Garrick Powell's, the Defendant, vehicle parked in front of 514 NPPA. The vehicle is registered to the Defendant. The officer then saw the Defendant exit the residence. The Defendant displayed characteristics of an armed person for several minutes as he walked up and down the block speaking with a male. The officer continued to watch as the Defendant entered and exited his vehicle. The officer did not notice the Defendant display armed characteristics after he exited the car. The officer believed the Defendant left the handgun in the vehicle.

The Defendant re-entered his vehicle and drove from NPPA. An arrest team stopped the Defendant in the 400 block of North Milton Avenue. When an officer removed the Defendant from the vehicle, he immediately saw a handgun on the driver's side floorboard. He recovered a loaded Poly80 9mm handgun with an extended magazine. The Poly80 had an attached conversion device which allowed the gun to fire automatically in violation of 26 U.S.C. § 5845(a). Officers also found a second extended magazine and 63 rounds of 9mm ammunition in the vehicle.

The Defendant was transported from the scene to the Eastern District. The transport officer saw the Defendant squirming around during the ride. When he removed the Defendant from the vehicle, he recovered a small bag of cocaine smashed up on the floor at the Defendant's feet.

The firearm meets the definition of a firearm in 18 USC § 921(a) meaning that the firearm was test fired and found to be capable of expelling a projectile by the action of an explosive. Further, the conversion device attached to the firearm converted the semi-automatic firearm into an automatic firearm thereby making it a firearm as defined by 26 U.S.C. §5845(a).

The Defendant agrees he knowingly possessed the firearm. He further agrees that he knew the attached conversion device made the firearm an automatic firearm. Prior to possessing the firearm, the Defendant agrees he had been convicted of a crime punishable by imprisonment for a term exceeding one year, his civil rights had not been restored, and he had knowledge of this status when he possessed the firearm.

All the above-described events took place in the District of Maryland.
